CHANGED TO A TWO DAY COURSE AND PRICES ADJUSTED 23/7/13

Old Methodist Chapel, Oxhill, Warwickshire

This is a wonderful opportunity to be trained by **Kim Kalina, CCH, RSHom (NA)**, a very experienced American Homeopath and CEASE practitioner for the first time here in the UK.

Inspiring Homeopathy is an elegant and dynamic new way of using homeopathy, allowing clients to engage in a process that is more than elimination of symptoms, but an opportunity for conscious self-realization & spiritual growth. It is a valuable experience for healers of any type, whether a doctor, nurse, therapist or holistic practitioner, bringing balance and inspiration to our lives and work.

For CEASE Practitioners it is an essential component of CEASE Therapy, and it was Tinus' vision that all CEASE Practitioners would complete Inspiring Homeopathy training either before or after their CEASE training.

"Kim is a wealth of information for supporting the healing process with our clients. It takes an observant eye with a good foundation in Inspiring Homeopathy to see and sense the shifts in clients and to know when and which remedy to give next, which I discovered is not something that can be learned just by reading the book - as Hahnemann dictates, the remedies must be experienced personally; doing that in tandem with others in a natural environment is an ideal way to do just that, providing a thorough understanding of each remedy and the system as a whole through various perspectives.

I highly recommend this seminar! Anyone wishing to expand their knowledge of familiar remedies and learn useful new ones while embarking on their own personal and professional growth will benefit. Your practice and understanding of homeopathy and healing will grow and prosper as a result." - Sheila Muldaur, 2008 IH Participant

Inspiring Homeopathy Initiation Group

With Kim Kalina, CCH, RSHom (NA)

During the Inspiring Homeopathy Initiation Group you will personally experience and learn how to use this powerful homeopathic tool for rapid and simultaneous transformation on all levels by utilizing Dr. Tinus Smits' discovery of Universal Layers. Universal Layers are based on the spiritual, mental, emotional and physical aspects of simply being Human, and by meditating as a group, in a peaceful environment next to nature, engaging deeply with each Universal Layer through its associated remedy (Lac Maternum, Vernix, Saccharum, Carc Cum Cuprum, Rhus Tox, Anacardium & Hydrogen) we will have a profound exchange, with everyone sharing their personal and/or meditative experiences with each remedy; in this way we learn much more than lecture can ever provide, and will go deeply into the many facets of the layers & remedies and learn how to use Inspiring Homeopathy effectively for ourselves and with clients.

True to Tinus' vision we will re-create his initiation experience here in the UK so that this important work continues to thrive! We will meditate with each remedy & become deeply connected to each of the universal layers (problems with self-worth/confidence, birth and boundary issues, lack of love, experiences of shame, victimization, and disconnection with our soul), fully immersing ourselves in the experience & philosophy of Inspiring Homeopathy. You cannot help but be profoundly changed by this unique experience, and since nearly every client will need one or all of these remedies at some point in time during their healing process, they are essential remedies to know deeply for any practicing homeopath!

Part of the magic of Tinus' seminars was that they were held in the middle of the lush and rural countryside of France, far from the intrusions of the modern world - we have captured a little of this magic by holding our Inspiring Homeopathy group in a beautiful old chapel.

Pre-requisites

Although many attendees will be Homeopaths and Certified CEASE practitioners, that is NOT a pre-requisite. Any therapists can attend the course.

Location

The old chapel has a great atmosphere, peaceful yet bright and cheerful. It has been sensitively renovated, retaining the original stained glass windows. There is a small garden and a lovely kitchen area with cooker, fridge freezer, crockery, glasses, cutlery etc.

Oxhill is half way between Banbury and Stratford upon Avon just off the A422. It is about 15 miles from Leamington Spa and Warwick. 6 miles from the lovely market town of Shipston on Stour. Many famous Cotswold tourist locations are a short drive away too (e.g. Chipping Campden, Broadway, Bourton on the Water, Moreton in Marsh and Hook Norton) so if you wanted to bring the family there is plenty for them to do.

Practical Arrangements

I anticipate this will be a friendly and informal event so we can make decisions as we go.

Food

Teas, coffee, soft drinks, biscuits .. and perhaps even cake! will be provided for the breaks.

Other meals are not included. There is a sandwich shop in the next village we could order lunch from or you are welcome to bring your own.

The Peacock Public House <http://www.thepeacockoxhill.co.uk/> is a couple of doors away and has won awards for the superb food. We could order lunch and/or a meal from them to eat in the hall one of the evenings if enough people are interested in doing that.

Accommodation

Is not included.

There is **bed and breakfast** accommodation in the village (http://www.tripadvisor.co.uk/AllLocations-g1804982-c1-Hotels-Oxhill_Warwickshire_England.html and also <http://www.britainsfinest.co.uk/bedandbreakfast/bedandbreakfast.cfm/searchazref/700013200XHA>)

There are many places offering B&B in the surrounding villages and Shipston on Stour.

Hotels

The Ettington Chase is probably the nearest big hotel.

There is "Banbury Premier Inn" a few miles away at Warmington.

There are many other hotels in the surrounding area since it is popular with tourists.

Camping & Caravanning

If you want to bring a tent or a caravan then it is possible you could camp in my big garden, subject to the weather being reasonable (and you not minding big dogs and cats!). There are Certified Locations locally for caravans/motorcaravans too.

Travel

Road- Driving is going to be easiest. Oxhill is off the A422 about half way between Banbury and Stratford upon Avon. Roughly 20 minutes from the M40 at Banbury(J11) or at Gaydon (J12).

Look for the Peacock Pub on Google and you'll find it next door.

Rail—Banbury station is about 9 miles away. There is an infrequent bus service out to the village from the bus station which is a few minutes walk from the station. We can try and arrange lifts if necessary.

Prices

TWO days Tuesday 20th & Wednesday 21st August for £155—lunches and evening meals are NOT included, nor is accommodation

Let me know you want a place ASAP—minimum of 10 to run the course and maximum of 20.

I will need the full amount by **2nd August** please so I can finalise arrangements.

Please feel free to contact me if you need to (contact details and booking form overleaf).
